A TRIBUTE

". . .Ask and it will be given to you. . ."

Luke 11:29

We extend our truly heartfelt thanks to the very many individuals and organizations, who contribute so much through goods and services provided to the ministry. This very newsletter would be impossible without the generosity of our printers, typesetters and paper suppliers. Our missions to other cities are possible because of the kindness of innkeepers. Our buildings are in good shape because of the goodness of suppliers of building materials. The list is almost endless, and every dollar saved in this way can go directly to the ministry.

While it is impossible to cover everyone, we especially thank Robert Kellar, full-time assistant to the ministry, for his unstinting devotion, Margery Cunningham for those very many times she has helped out, Don Nance for his repairs to Faith Center's electrical systems, and all those volunteers, who, when they can, donate their time and skills. Forgive us, please, for not mentioning you all by name, but the good Lord knows who you are and blesses you, and in the name of Jesus Christ we thank you.

"A generous man will prosper; he who refreshes others will himself be refreshed."

TESTIMONY

Thank you so much for putting us on your prayer list for June. I felt the presence of the Lord so much around the time I was dated on the list. Also, in June, a door opened for me to take Communion up to the Hospital each Friday and pray with the sick and shut-ins in our parish. I'm excited about this because in May I received through prophecy that the Lord has given me the Gift of Healing. I really want to "stir up" this gift and be in a position where the Lord can use me.

I'm sending for your Faith Cassettes on healing to help me get in tune with the Lord. I think all your work is wonderful in the prisons and with the Healing Ministry and about the animals. I just praise the Lord for your love and compassion and I want to be that kind of Vessel too.

Love to you all.

Connie Cunningham,
Hendersonville, N.C.

THE FAITH CENTER STORY

"All men will know that you are my disciples if you love one another."

John 13:35

Jesus wants us to be examples. He knows that example is the most powerful persuader. As ministers helping and relating to others this is vital. All the good works are empty unless we are examples of something clearly different from the world, unless we not only spread the good news but are examples of it.

With this in mind, the Lord guides me to share two things with you.

Who can escape a knowledge of the crises that confront mankind? The facts are terrifying unless we know that God's plan is unfolding, and that it's glorious conclusion, for those who choose for Him, is described in part by John in Revelation 21:4, **"He will wipe away every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away."** To know and believe that lifts us out of fear and pain, filling us with faith and confidence, and making us an irresistible example for those yet seeking Him. To be such an example is the most important task for any Christian.

The second thing the Lord gave me to share with you is the reward to be felt in the smile of an old woman, the happiness of a child, the dawning of understanding upon the face of a man torn by conflict, the unquestionning love of an animal. Such things, as they occur in the course of the ministry, tell us that God is using us as an instrument for His healing touch. We know then that we are being an example of what Jesus wants us to be.

I ask you to give as generously as you can. Your prayers and support are invaluable, and I know that God blesses you because of them.

In the name of Christ.

ADDRESS _____

Faith Center is the headquarters of The Foundation Faith of God for the southeastern United States. Not only is the center a hive of activity, but reaching out from it ministers are involved in projects within Atlanta and much further afield, in cities such as Birmingham, Mobile, Pensacola, Charlotte and Chicago. Worship services (Celebrations), workshops, prayer groups, Bible studies, and much individual counseling and healing prayer are conducted at Faith Center. Here, too, is designed and distributed Christian literature and tapes, and radio and television shows are planned.

From Faith Center ministers go to area hospitals, prisons and nursing homes, as well as responding to individual calls for help. Teaching and preaching also plays a major part in this outreach, both through the media, the monthly newsletter, and at other churches and fellowships in Atlanta and beyond. With God's help many are touched by the healing love of Jesus Christ. On this page are some examples of the ministry in action.

Rev. Charity conducting the Lord's Day Celebration at Faith Center. Our weekly worship service is at 1 PM, Sundays. All are welcome.

Rev. Raphael de Peyer prays with Donald Atkinson, a resident of Tucker Nursing Center. Donald has shown remarkable recovery, praise the Lord, coming from a coma to the point of receiving speech therapy.

Rev. Andrew Michaels has been blessed by the Lord with many musical talents, and sees the music ministry as a wonderful way of touching people with the message of Jesus Christ.

Rev. John Christopher shown on a visit to the Federal Penitentiary in Atlanta. Counseling is also conducted on a regular basis at Georgia's Death Row in Jackson.

The Circle of Power is an international healing prayer fellowship with members not only in the United States and Canada, but an especially strong following in Ghana, West Africa.

Each month members receive a prayer list compiled from the requests received at Faith Center, and we welcome your participation in this fellowship. Our pictures show (above) members of The Foundation Faith of God's congregation in Sefwi-Tanoso, a village in Ghana, and (below) some of the founding members of the ministry in Ghana at prayer in Sunyani.

God's instruction to care for His creatures is as old as the Book of Genesis! Ministers take part in various animal-related projects, especially from an educational point of view, because so few people are aware of the terrible cruelties inflicted on animals. At right, Rev. Raphael de Peyer addresses an animal action group in Birmingham, and above, Matthias Fripp plays with Hazel, a large rabbit found hopping perilously down the street.
